*With much patience and compassion an employee from Hilfe mit Herz has taken care of an elderly acquaintance of mine, who is nearly blind and has no family, for five years. He has given his all to support her in her day to day tasks, always keeping her best interests at heart.* (Prof. Dr. Eichhorn)

*It was such a relief to go on vacation and to know that my house and garden were been taken care of while I was gone, and so nice to see when I returned that Hilfe mit Herz had cared for everything so well.* (Mrs. Kämpfer)

*We are so very glad, that an employee from Hilfe mit Herz was there to take care of our newborn son during the day for eight weeks while the mother was in the hospital. Part of the cost was even covered by our health insurance.*
